## THE NEED

Little Shove was engaged initially in early 2022 to deliver a series of three workshops with the then Function and Events Team.

With a new manager coming on board and a fresh, new team, Little Shove was once again engaged in 2023 to deliver a team workshop.

Director of Sales for Adelaide Oval Stadium Management Authority, Kellie Howard said, "I wanted to hold a workshop for my team because I was looking for ways to inspire and motivate them. I engaged Little Shove because I had heard great things about Lesley's ability to energise and empower teams."
